agrofood Nigeria 2026: A resounding success driving regional growth - West Africa's leading agrofood event returned to Lagos with its largest and most international participation ever

From 24 to 26 March 2026, agrofood Nigeria returned to Lagos for its 11th edition, setting a new record for international participation and industry engagement. Featuring exhibitors from Africa, the Americas, Asia, Europe and the Middle East, West Africa's leading annual platform for the agrofood and packaging industries attracted thousands of decision-makers from Nigeria and across the region.

Organised by fairtrade Messe in cooperation with Modion Communications, agrofood Nigeria serves as a highly focused marketplace for investment, innovation and business development across the entire value chain, from agriculture and food & beverage processing to ingredients, packaging and finished food products.

Exhibitors and trade visitors, panelists and conference participants all agree: the 2026 edition was a resounding success.

AFTERMOVIE 2026

The Netherlands guest of honour 2026

Reflecting the strong partnership between Nigeria and the Netherlands, the Netherlands made an impressive presentation at agrofood Nigeria 2026 showcasing Dutch expertise. It also created valuable opportunities for collaboration, knowledge exchange and business development between Nigerian and Dutch agricultural stakeholders.
