The Nigerian Customs Authorities, working in line with international conventions, permit exhibits to be imported into Nigeria on "Temporary Import" basis. To enable us to clear the exhibits under bond on "Temporary Import" basis, please adhere to all instructions in this shipping instructions. If you are not sure, please check with our staff prior to shipment to ensure we have the correct documentation as required by the Nigerian Customs Authorities.

For FCL: we advise as best shipping company/line to use HAPAG LLOYD, as our partner in Nigeria enjoys special concessions with same and our rates are based on this. We also advise best Port of entry / discharge as APAPA PORT / LAGOS.

- The CCIPL has to be signed with ball pen and to be stamped with company stamp (both in blue colour).
- All documentation must be in the ENGLISH language.
- A full description of each product / item must be given. Do not just indicate the model name or model number. Describe the item – such as "1:3 scale (cutaway) missile model" or "souvenirs – lapel pins" or "wooden display plinth – floor standing" etc.
- If there is a serial number available for a product, please indicate it on the Combined Commercial Invoice & Packing List. This will assist temporary customs formalities.
